**THE ATTENTION
OF ART COLLECTORS**

Is called to the fact that collections of pictures, ancient or modern, by foreign or native artists, when accurately catalogued, with descriptions, etc., and biographical notes upon the artists, receive a permanent and established record which adds appreciably to their value. No valuable collection should be left without such a record, either printed or in manuscript. Arrangements can be made for cataloguing collections by addressing the editor of **THE COLLECTOR.**

TO ALL COLLECTORS.

There are few collectors interested in any special subject who have not regretted at some period of their lives that they have not collected the current literature of the newspapers and magazines on such topics. Special facilities for doing this are provided by this company. It reads 2500 papers every day for thousands of subscribers, on hundreds of thousands of topics. Each paper is cut into scores of fragments, and each particular fragment is mailed to the subscriber specifically ordering it. In this way a subscriber is sure to get all articles on any topic from thousands of journals he can never hope to see or to find time to read.

It is recommended by such subscribers as the following, who use the service regularly and allow us to refer to them.

Cornelius Vanderbilt, Wm. C. Whitney, Whitelaw Reid, Manton Marble, William T. Walters, Prof. W. B. Ware, Art Students' League, Brayton Ives.
